YEAR OF JUBILEE

MOVING FORWARD IN OUR 8TH YEAR

As we move forward into our 8th year, Pastor Brad presented to us that this is the year of Jubilee. Our church family should be excited and praying for what God has instore for us in the coming year.

Looking back over 2021, there have been many obstacles that have presented themselves but as a church family, we have been victorious. God has a perfect plan and Victory Fellowship must trust the leading of the Holy Spirit to fulfill the plan of God for our church.

Join in prayer as we look towards the next few months and see the harvest brought in because of faithfulness to God and His leading. Seek ways that you can be involved. Remember, serving God requires participation not just spectating. Let's jump in with both feet Victory! Emporia/Greenville belongs to God.

SHOEBOX MINISTRY AND VFC MISSIONS

MISSIONS COORDINATOR PAM BARBOUR, PREPARING FOR 2022

We are preparing to enter into our 5th year of Operation Christmas Child (The Shoebox Ministry). Each year this program brings our church family so much joy as we work together to be a part of global missions through Samaritan's Purse. Throughout the year Victory Fellowship members and friends look for special items to include in the Shoeboxes that will both, bring joy to a child and be something practical they can use on a daily basis. However, the most important gift, is the family receiving the Gospel message of Jesus Christ.

In 2021, VFC was able to send 166 boxes. Some boxes were filled by individuals and families, other boxes were filled by the items that were collected over the course of a year. With your generous financial support, VFC was able to pay the shipping cost of \$9.00 per box for each box. The shipping cost totaled \$1,404. Awesome job, VFC!!

Beginning in January of 2022, VFC will start the process again to prepare to send Shoeboxes across the globe. Our focus for January is to collect items to fill a pencil pack for each shoebox. Our goal is to prepare 150 pencil packs. VFC will purchase the pencil packs with funds already established in the Shoebox ministry fund. However, if you would like to assist with the purchase of a case of pencil pouches they are \$18.00 per case and we will need 5 cases.

As a mission's outreach for 2022, VFC would like to collect items to make 10 laundry baskets to give out randomly at the local laundry mats to those in need. Ideally, these baskets will be given out during the Easter season. Therefore, for January we are collect fabric softener (either sheets or liquid) and stain remover (either spray bottles or stain sticks). If you have any questions about this missions project, please see Pam Barbour.

VICTORY FELLOWSHIP WORSHIP TEAM

FROM OUR WORSHIP LEADER, HOLLY BARBOUR

"Therefore, humble yourselves under the mighty hand of God [set aside self-righteous pride], so that He may exalt you [to a place of honor in His service] at the appropriate time,"
1 Peter 5:6 AMP

As a team, we hold in our hearts and strive to surrender ourselves and be willing vessels that the Holy Spirit uses to reach the congregation and bring everyone closer to the heart of God. Each of us is learning what it means and feels like to be led by the Spirit and finding our voice in that. When we lead on Sunday mornings, we come before God and the congregation as selfless as we can to bring everyone closer to the heart of God. We want that time of worship to be meaningful and not "just another thing" we do on Sundays, and we are humble when we are in that time. That is evermore true as we enter this Christmas season and into the New Year.

Into the coming year, we will be working on new songs- **Have My Heart by Maverick City Music**, **Make Room by Kim Walker-Smith**, and **Lord, I Need You by Matt Redman** to name a few. We feel these songs encapsulate the desire to surrender our hearts, make room there, and be humble enough to cry out to God in times where we need him. The most recent song we are working on, **Have My Heart**, is a song that asks God to examine our heart. It's a song that tells how God's heart is for our heart and that we want him in every part of our hearts. It's also a song about surrendering our hearts to Him. We have experienced the power of what surrendering can do, and it brings us so much excitement to see how much more we can learn as we grow and go into this new year. It's a goal of ours as we enter this new year to have that renewed and refreshed mindset to be more diligent in surrendering our hearts to God- in worship and in our everyday. We hope these new songs can reflect that and be an encouragement to our church family as we continue to lead them in song.
