FROM THE PASTOR'S HEART

SENIOR PASTOR BRAD BARBOUR

The past first two weeks of December have proven to be hard for the Emporia/Greenville community. The reality of sin in the world is made evident in the violent outburst that occurred. This is a time for the church, as a community of believers, to come together and seek the face of God regardless of denominational affiliation.

Now is the time that we, as the church, begin to turn from our wicked ways, seek forgiveness for our sins and trust God to begin to heal our land. It is my prayer, as it has been since day one, for Victory Fellowship to be a light in this community, shining forth the example of what happens when we lay aside differences and seek to be a force for good in the community in which we live. NOW is the time! Jesus is coming soon and there are souls right here among us that need a touch from the loving Savior.

People are dealing with trauma such has never been dealt with before. I am calling on the church to rise to the occasion and begin to put action to the words we pray and sing. Truly, we want to touch the heart of God, then we must do what God desires. What is that you ask? To spread the love of His son Jesus to a lost world so that all can come to know Him, be set free, and begin to live as disciples following the risen Savior.

This is not an easy task; however, it is the task that we have been assigned. We, as a church, cannot do it alone, we must have the fullness of the Holy Spirit which gives us the power to stand and proclaim the mighty name of Jesus. Will you allow God to use you? Will you be a force for the Kingdom of God? Don't sit around and wait for someone else to step up, you can RIGHT NOW!

Let us tune our hearts to heaven and hear from Father God and begin to bring His message of healing, deliverance, and salvation to our community! Let's go, Team Victory!
