CADENCE: RHYTHM OF GOD

MOVING IN RHYTHM WITH THE HOLY SPIRIT

It is vitally important that everyone stops to take an evaluation of their life and reflect on whether it is moving in cadence with God. Jehovah God has created perfect rhythm for life. It all began with creation!

God never intends for any of His children to be out of rhythm and not receiving His best. There is a perfect design established for each person, that when followed, brings peace, joy, and happiness to every life.

All too often the rhythm of life gets off beat. This is when it becomes necessary to pause, reflect, and reconnect to the perfect rhythm that God has established. That perfect cadence silences every fear and shatters the darkness with the light of His love.

Today, and every day, rest in the perfect cadence of God's design for life. Do not allow the enemy to through an offbeat in and cause a spiraling effect. Hold fast to the goodness of God and move in rhythm with the Holy Spirit.

CHILDREN'S SUNDAY SCHOOL

GOD LOVES EVERYONE

For the month of February, Children's Sunday School is focusing on God is Love! The Key verse is "God is love. 1 John 4:16." What a wonderful thing to remember that God loves each of us just the way we are.

In Sunday school they have also learned Mark 10:14, "let the children come unto me." We should encourage all of our children to come to Jesus. It begins with bringing them to Sunday school for them to have a foundation to prepare them to meet their Savior Jesus Christ.

Meade and Morgan Fuller were excited this month to be promoted to Children's Sunday School. They were anxious to be apart of their new class! Let us be praying for our church kids to grow deeper in the knowledge of Jesus Christ!

VICTORY FELLOWSHIP MISSIONS UPDATE

MISSIONS COORDINATOR PAM BARBOUR

Update on Operation Christmas Child

Look what you did with God's help! We were able to order 180 pencil bags, pencil sharpeners and pencil cap erasers. Thank you so much to all that donated so far this year. We may be a small church but we have a BIG heart! The focus item for February is scissors.

Update on our Community Outreach Project

10 laundry baskets are ready and waiting to be filled. Thank you for the donations thus far. Our baskets are starting to look awesome. All laundry products are welcome. Also, any item you would like to include such as dish detergent, dish towels, or cloths are welcome. We are looking forward to blessing some people with these thoughtfully developed laundry blessing baskets.

Food Pantry

Our food pantry is running low on items. Suggested items to help fill our pantry are soups, mac and cheese cups, spam, mayonaise, mustard, ketchup, vienna sausages, and canned food items. If you buy cans that do not have the "pop top" please include a simple 99¢ can opener. Also, items such as toothbrushes, toothpaste, washcloths, soap, toiletries, and deodorant are welcomed!

VICTORY FELLOWSHIP WORSHIP TEAM

FROM OUR WORSHIP LEADER, HOLLY BARBOUR

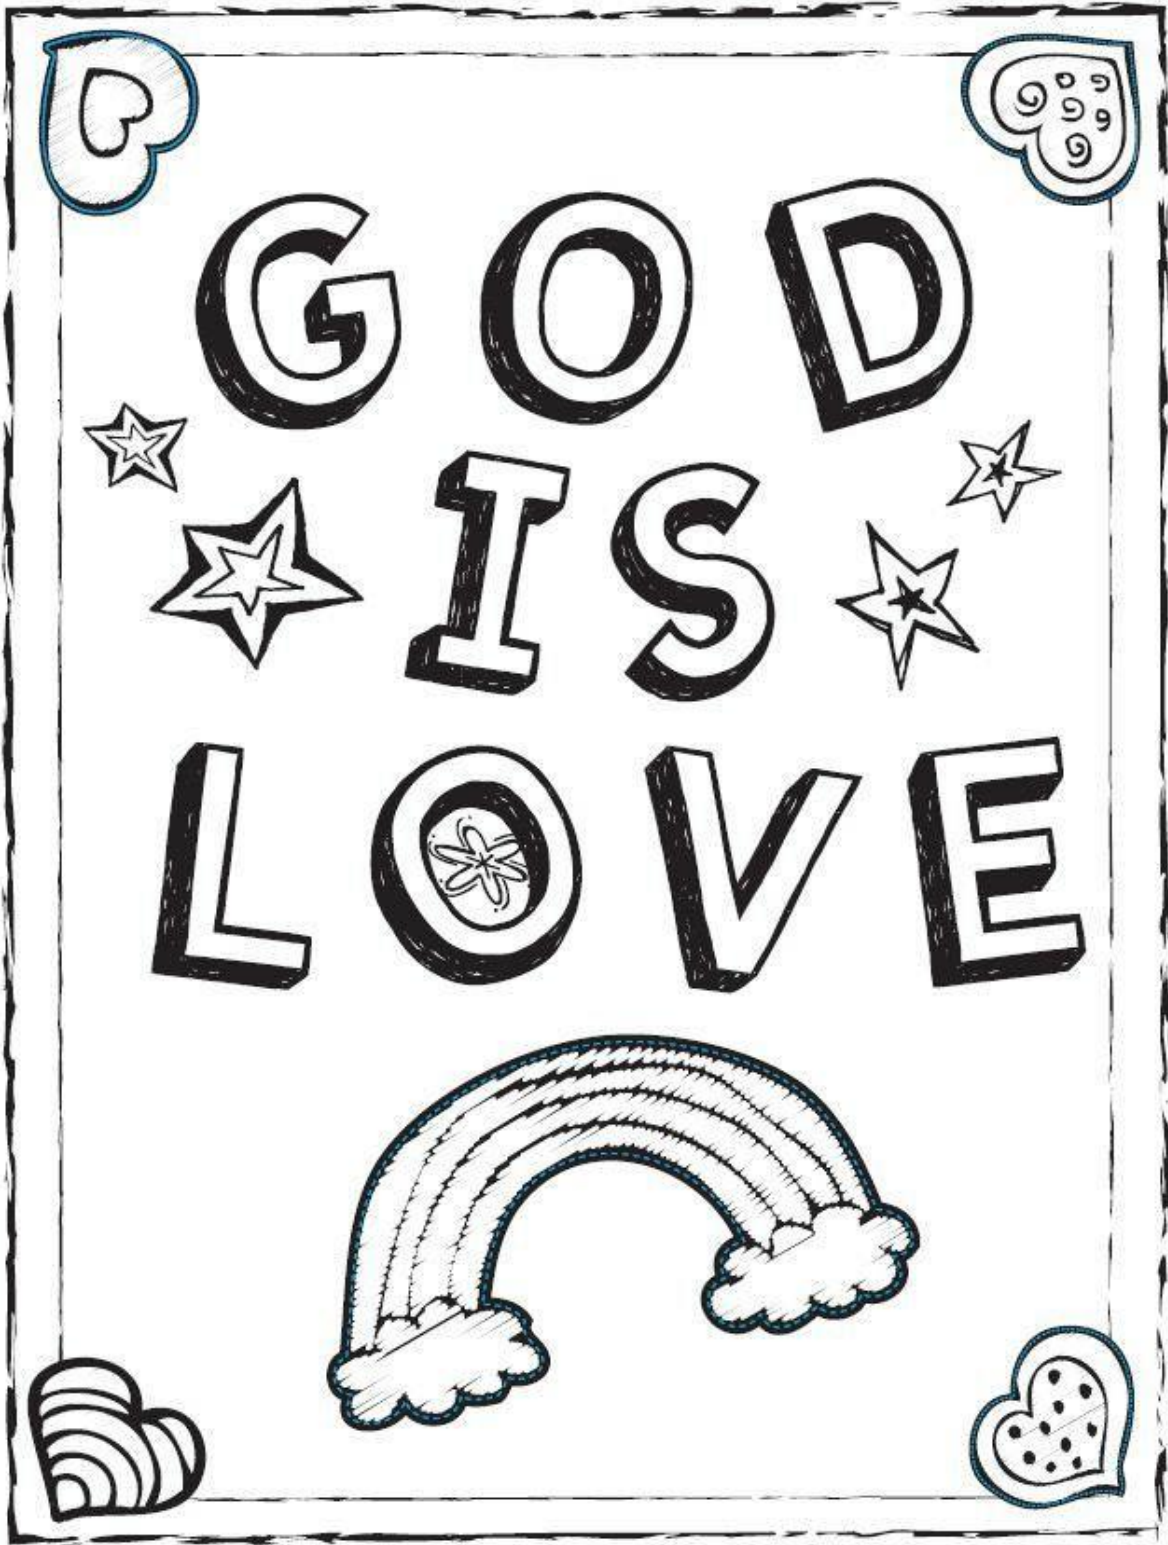

What a start to 2022! Snow, Snow, and more snow! Not only that, but we have taken the challenge and pursued the Daniel Fast all while learning what it means to purposefully seek God and pray with a purpose. The Worship Team has been doing just that and we are willing, waiting, and expecting all the great things God is going to do through us.

In my mind, February is the month of love. Our goal is to really listen to the Father and have worship experiences that invite the love of God into all. We challenge you to really break through in your worship and show the Father the love you have for Him as He has for you. Further, show love to others as well; maybe in ways you may not have done before.

We have so much to praise Him for, because all His promises are Yes and Amen!
