# FROM THE PASTOR'S HEART

SENIOR PASTOR BRAD BARBOUR

Wow! It is so hard to believe that we are entering the year 2022. They say time flies when you're having fun! I don't know about you, but I am having a ton of fun at Victory Fellowship. God has blessed our church so much; I have every reason to praise Him!

This past Sunday (December 26<sup>th</sup>, 2021), I began a new sermon series entitled, "Prayer That Works." It is very evident in the world that we are living in that we need to be more prayer focused. I sense a urgency from the Holy Spirit to preach on the topic of how to pray and what prayer looks like. Therefore, I hope that you gain something from this series that will allow you to grow in your prayer life.

With the first sermon, I encouraged each of you to make a prayer journal to log your prayer requests and keep track of when God answer a specific prayer. I also encouraged you to prayer specifically and not just generally. This is all in part of helping you to grow in your prayer life. We never get too old, or we are never too young to not learn more about prayer. If you did not get a chance to get a prayer journal, I have included a very simple version in this newsletter.

I am praying, church, that God would send a revival to our fellowship that would spark a great outpouring of His Spirit in this community. I want to be a yielded vessel that God can use. I want to be the vessel that shows the world God can take what is broken, mend it, and it is 100 times better than before. Would you join me on this prayer journey? Let's see God do something amazing. It starts with us being willing to be used of God. I am willing! Are you?

As we are willing, we will see God move! It gives even more reason to praise Him louder than ever before. Do you have a praise in you? Let's hear it! I love each of you and there's nothing you can do about it. ❤️
